

Coronavirus (COVID-19) System of Controls

In line with the advice and guidance set out by the government, the following are actions that Clowns will take to attempt to prevent a Coronavirus (COVID-19) infection and in response to it;

10.1 Prevention

1. Minimise contact with individuals who are unwell by ensuring that those who have Coronavirus (COVID-19) symptoms, (or who have someone in their household who does), do not attend settings.
2. Use of face coverings.
3. Clean hands thoroughly more often than usual.
4. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.
5. Introduce enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents and bleach.
6. Minimise contact between groups where possible.
7. Where necessary, wear appropriate personal protective equipment (PPE).

Numbers 1 to 5 must be in place all the time.

Minimising contact between groups has been considered and we have put in place measures as stated in the Social Distancing Policy.

10.2 Response

1. Engage with the NHS Test and Trace process
2. Manage confirmed cases of Coronavirus (COVID-19) amongst the setting community.
3. Contain any outbreak following local health protection team advice.
4. Notify OFSTED
